

Nomination Form

Henry Kock Award 2020

Many knew Henry well, and for those who never had the chance to meet him before his passing in 2005, you will no doubt have heard many of the stories about his dedication to growing, protecting and advocating for trees and their natural environment!

Henry was cherished for his wisdom, integrity and mentorship, and each year we honour another member of our community who embodies these characteristics in their stewardship of our trees.
